When I think of art I think of beauty. Beauty is the myself of life.  
It is not in the mind. In our minds there s awareness of perfection.

“Fashion is what you're offered four times a year  
by designers. Style is what you choose.”

*Dress up for your own self, not for the world.

What you wear is how you present yourself to the world Specially today.  
When human contacts are so quick fashion is instant language.
