FOREVER
FASHION!

This month, we celebrate the
Kashmiri and hand-embroidered
style pieces that bring the dramatic,
intricate patterns of Kashmir to
the modern woman. We embrace a
style that is as soft as the finest
silk, and as bold as the finest
gold.

Plus, Georgia May Jagger plays the
siren in our Persian Blue. Two-toned
women with dramatic, intricate
style, show us a new dimension
that reflect their unique aesthetic.

FOREVER FASHION!

This month, we celebrate the timeless and elegant style of the 1950s. The dramatic, ruffled gowns of Alexander McQueen's 1995 collection are a perfect example of the style's enduring appeal. We're excited to bring you a collection of elegant, timeless pieces that reflect the unique aesthetic of the 1950s.

Plus, Georgia May Jagger plays the role of a classic Hollywood star in our new campaign. Her look is a perfect blend of classic and contemporary, and we're excited to see how she'll bring our style to life in our latest collection.
