"What you wear is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is instant language."

fashion is our attitude

"What's my style is not  
your style, and I don't  
see how you can define it.  
It's something that  
expresses who you  
are in your own way."

Fashion is part of the daily air  
and it changes all the time,  
with all the events.  
You can even see the  
approaching of a revolution  
in clothes. You can see and  
feel everything in clothes.
